

Dear Parents,

July 2017

Pro-Maths will be hosting the annual optional Grd 12 Maths Revision Workshops on the following dates:

- **Saturday 12 August 2017 09h00-15h00:** Algebra, functions and graphs (incl parabola, hyperbola, exponential), inequalities, probability and number patterns. This Workshop covers 50% of Maths Paper 1.
- **Sunday 13 August 2017 09h00-15h00:** Logs, inverse functions, sequences and series, advanced financial maths, calculus (incl differentiation, 3rd degree graphs and rate of change). This Workshop covers the other 50% of Maths Paper 1.

- **Saturday 19 August 2017 09h00-15h00:** All trigonometry incl compound and double angles, negative angles and trig graphs. This Workshop covers 40% of Maths Paper 2.
- **Sunday 20 August 2017 09h00-15h00:** Analytical geometry (incl straight lines, circles, equations of tangent, equations of altitude, equations of median, equations of perpendicular bisector), statistics (incl ogives, scatter plot diagrams, variance and std deviation) and all euclidean geometry. This Workshop covers 60% of Maths Paper 2.

Cost: R395 each including a Workshop Manual. **Special!** Book for 4 Workshops and only pay R1550. **Plus!** For every friend you bring who does not attend Pro-Maths lessons that books for a workshop you receive a R50 discount.

How to book: Please book with ProMaths by emailing Sheryl the completed booking form and proof of payment at sheryl@promaths.co.za. Contact Sheryl on 082 925 2991 for further information.

Terms and Conditions:

Bookings for these Workshops are now open and limited space is available.

50% deposit secures your child's place, balance is payable on the day.

Cancellations will not be accepted and you will still be liable for the full amount unless made 7 days prior.

Workshops do not form part of the regular monthly lessons and as such no payment and/or lessons can be exchanged for such. All August and September lessons will still be done.

Pro-Maths and staff will not be held liable for any loss, damage or injury of any nature that could occur.
